The graduation and in-field employment rates were calculated using ACCSC’s formula and definitions. For more information on the ACCSC Annual Report requirements, please visit <https://www.accsc.org/Resources/Annual-Report.aspx>

Definitions:

*Available for Graduation does not include transfers to another program. This category removes from the graduation rate calculation students who fall into any of the following classifications: death, incarceration, active military service, or the onset of a medical condition that prevents continued enrollment.

**Available for Employment: This category removes from the employment rate calculation graduates who fall into any of the following categories: death, incarceration, active military service, the onset of a medical condition that prevents employment, or international students who are enrolled on the basis of a student or work visa and are ineligible for sustainable employment in the United States post graduation.
